

FISCAL MEMORANDUM
HB 2126 – SB 2094

April 30, 2007

SUMMARY OF AMENDMENT (007356): Deletes the language of the original bill and requires the inspection of air ambulance medical equipment and supplies and issuance of healthcare inspection verification stickers.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Revenues - \$3,000

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions applied to amendment:

- Currently, inspections on individual aircrafts are being performed.
- There are currently 30 individual aircrafts operating in Tennessee.
- Should the fee for the verification sticker be the same as it is for ground ambulance permits, such would result in an increase in state revenues or \$3,000 (30 aircraft X \$100).
- Any increase in revenues will be used to cover the expenditures of the inspections and oversight of the issuance of the verification stickers.
